Payment Terms

At Need Services:

Payment by cheque or online banking is requested in full on the day of the Funeral. Amounts outstanding after 30 days will bear interest of 1.5 % per month at a rate of 18% per annum, calculated and compounded monthly from 30 days until paid in full. There will be a charge of \$45.00 for any non-sufficient funds (NSF) cheques returned by the bank. Any costs of collection shall be the responsibility of the purchaser. Additional information is available on request. Consumers may be charged a fee of 2.4 % for use of credit cards.

Pre-paid Services:

Two funding options are available when pre-paying funeral arrangements.

1. Trust

Payment by trust whereby payment is made for services and supplies at current prices which will be placed in a trust account, accruing interest until the pre-paid contract is fulfilled. Pre-payment can be made by cheque or credit card. Consumers may be charged a fee of 4 % for use of credit cards. Funds are held in the beneficiary's name.

2. Insurance

Funds may be placed in an insurance/annuity policy where the proceeds of the insurance/annuity policy will be used to pay for the services and supplies when the pre-paid contract is fulfilled. Pre-payment can be made by cheque or credit card. Consumers may be charged a fee of 4 % for use of credit cards. Funds are held in the beneficiary's name.

Terms, conditions and cancellation policies are set by the Trust and Insurance Companies.

Timed payment plans for both Trust and Insurance, may be made by credit card or pre-authorized chequing.

Guarantee of Pre-paid Services

When payment in full is made in accordance with the payment terms set out in the pre-paid contract, the pre-paid contract is guaranteed. The total payment(s) made plus interest earned will be applied to the future price of the services and supplies when the pre-paid contract is fulfilled. If the total amount is less than the future price than any shortfall will be forgiven. If the total amount is greater than the future price than the excess will be applied to any additional services, supplies and disbursements purchased at the time of need as applicable. Any changes to the pre-paid contract may result in the pre-paid contract being null and void and a new contract being executed using current prices at the time changes are made.
